THIS IS MEDIA ART.

EUROPEAN
MEDIA ART FESTIVAL
OSNABRUECK

27 April — 01 May 2011

www.emaf.de

EMAF is one of the most influential

forums of international Media Art. It is held in Osnabruck in Germany in April/May 2011 and invites entries to the **European Media Art Festival** competition, with new works.

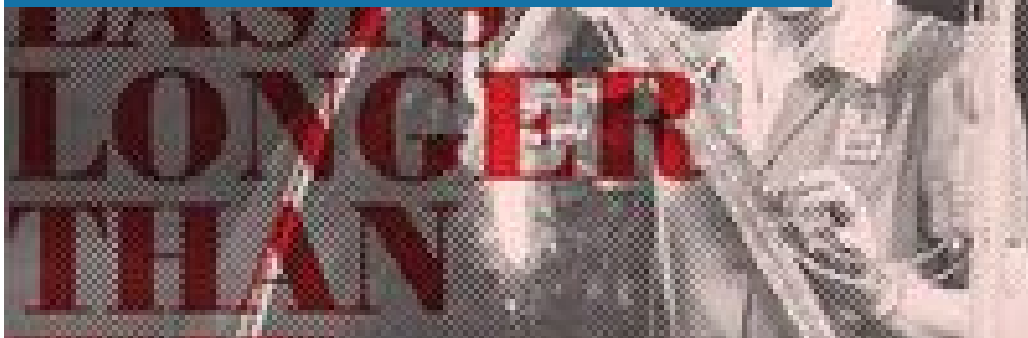

As a meeting point for artists, curators, distributors, galleries and an audience of experts the festival has a great impact on the topics and aesthetics of Media Art. Each year the festival offers its visitors a current overview of experimental films, installations, performances, digital formats and hybrid forms, ranging from personal and political subjects or formal experiments to provocative statements from the pulsating area of “Media Art – Society”. The Festival sees itself as a place of experimentation and a laboratory where extraordinary works, experiments and ventures are created and presented.

You’re invited to send us films, videos, performance projects or expanded media works. Please use **the online forms** for all submissions.
