# grants calls 2021

Frame Finland invites applications for grants available to artists, contemporary art professionals, and local and international contemporary art organisations who are planning international contemporary art projects featuring Finnish or Finland-based artists in 2021.

## Project grant for contemporary art organisations to exhibit work by Finnish artists abroad

The purpose of the grant is to strengthen the international position of Finnish contemporary art by supporting the presentation of Finnish art abroad. The purpose of grants awarded by Frame is based on the strategy of the Finnish Ministry of Education and Culture and Frame's own strategy.

### Who can apply?

triennale, festival or other contemporary art event.

Project grants can only be applied for to cover the following expenses of Finnish or Finland-based artists:

- installation expenses
- travel and accommodation expenses
- transport and insurance of artworks

Project grants cannot be spent on:
