culture circus productions at CIRC*a* festival

As part of the [CIRCa festival](#) (26 Oct - 4 Nov) in France, foreign artists and artistic companies attending the festival can apply to present future projects and productions.

[HorsLesMurs](#) offers 2 ‘pitch sessions’ dedicated to Future Circus Productions on 29 and 31 October at Ciné 32:

- Monday, 29 October will be devoted to **Foreign artistic projects** (artists / artistic companies based outside France & Belgium)
- Wednesday, 31 October will be devoted to **French artistic projects**.

These meetings are a special time during which **artistic companies present their future creation and express their needs in terms of partnerships, residencies, production, coproductions, ‘preorder’ in front of an audience of promoters** (festivals, venues, artistic residency centres/ programmes, producers, etc).

Split into 2 sessions (10am – 1pm), 40 circus companies present orally, for 8 minutes, their project: artistic/aesthetic concept, circus disciplines, technical requirements, production needs. Possibility to have a slide show or short video. There is no registration fee and HorsLesMurs staff members provide simultaneous translation English-French for foreign professionals.

Each project submitted must be new (to be premiered in 2013 / 2014). **There is no selection: any company can apply**, but since seats are limited, only the first ones will be able to participate.

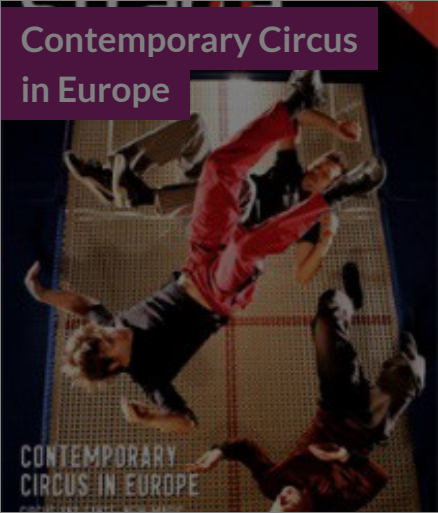

Find out all the details [online](#) - **deadline for sending application is 20 August!**
