GoCritic! Training programme for European film journalists and critics

The Animation Festival Network (AFN) is calling for applications from emerging European film journalists and critics for the GoCritic!@AFN training programme, to be held in Liberec, Czech Republic, from 7 to 12 May 2024.

GoCritic! aims to **train a new generation of authors writing about cinema on an international level**. The main objective is to improve their skills of writing about cinema through practical work.

The workshop sessions will be conducted in English by **acclaimed film critic and GoCritic! Head of Studies Vladan Petković** and they will take place during the **Anifilm International Festival of Animated Films**. The workshop will have flexible hours as agreed with the mentor; participants will be available to participate at film screenings and training sessions during the entire duration of the festival.

A selection of the participants' articles will be published on Cineuropa and Zippy Frames and disseminated on the Anifilm webpage as well.

Applications are open to those **over 18 years old** who are able to communicate and write in **English**.

What is provided?

Successful applicants will be provided with press accreditations, access to all screenings, and access to social and industry events, press conferences, and parties. **For participants living outside Liberec organisers will cover accommodation and will cover partially travel expenses.**
