Gyeonggi Creation Centre | artists residencies call

2011 Residency Studio Program at Gyeonggi Creation Center in Korea. Open to artists and curators worldwide in visual and media arts.

Residency Studio Program: 2011 Call For Artists and Curators

Gyeonggi Creation Center supports creative work and research for domestic and foreign artists and curators through an art residency alongside a wide range of programs and facilities. GCC acts as a platform to gather artists and curators from all over the world for international exchange and as an experimental and progressive contemporary art center to collectively engage and cultivate synergy among artists of various genres.

For the 2011 Residency Studio Program, GCC will accept applications from artists and curators working in visual and media arts.

Deadline: December 17 2010
