- Understanding of programme and service delivery
- The ability to work effectively with a Board and knowledge of organisational governance
- Highly effective relationship management and networking skills; negotiation, advocacy and diplomacy experience; and an ability to challenge peoples' thinking in constructive ways
- Excellent financial management skills and business and fundraising acumen
- Excellent oral and written communication and presentation skills, with fluency in English; and the ability to present complex ideas in a style and at a level appropriate for a variety of audiences.

Your application for the role will be enhanced if you:

- Are fluent in more than one language
- Have proven knowledge of/expertise in the arts and culture sector, and a good knowledge of arts and cultural policy and the value of public funding
- Can demonstrate expertise in government relations, NGOs and service organisations
- Have relevant experience working internationally and in culturally diverse settings; and
