IMMA | Artists' Residency Programme

The **Artists' Residency**

Programme is the Irish Museum of Modern Art's studio / residency programme. The ARP provides opportunities for artists, curators, critical writers and art professionals to research and develop their practices, it

supports both emerging and established professionals, working in any medium by application or invitation and is open to Irish and international applicants.

During 2012 IMMA is introducing a new online application system for those applying to the Artists' Residency Programme. The online system will be open to prospective applicants for six weeks from **Friday 18th May until Friday 29th June 2012** and will be accessible through IMMA's website along with supporting application guidelines. Successful applications will be scheduled to participate on the Artists' Residency Programme in 2013 when it resumes fully at IMMA. For 2012, due to the refurbishment at IMMA's RHK site, ARP activities will be limited, however the full provision of facilitating art professionals living and working on-site at IMMA will recommence once the Museum returns to its permanent location in 2013.
