ink - open call for INK Fellows

INK2014 Conference 'Beyond Boundaries' takes place October 17-19 in Kochi, Kerala, India. Young, visionary change-makers from around the world are invited to apply for the **INK Fellows Program 2014**. The INK Conference is an annual celebration of thinkers and doers from diverse walks of life.

The **INK Fellows Program** is a young, global and cross-disciplinary community of path-breakers who we believe will be the shapers of tomorrow. Every year, INK identifies the minds that are redefining their field of work, and the world around them. The Program aims to provide them the support necessary to leverage their impact.

Applications for the INK Fellows Program 2014 are now open!
Applications close on March 30th, 2014 at 11:59 IST

- Candidates must be between the ages of 18 and 40

- INK prefers Fellows to be based in young economies, but great candidates from any location will be considered seriously and competitively
