The Magnum Foundation and the Inge Morath Foundation announce the 12th annual Inge Morath Award. The annual award of \$5,000 is given to a female photographer under the age of 30, to support the completion of a long-term documentary project.

One award winner and up to two finalists are selected by a jury composed of Magnum photographers and the director of the Inge Morath Foundation.

Inge Morath was an Austrian-born photographer who was associated with Magnum Photos for nearly

fifty years. After her death in 2002, the Inge Morath Foundation was established to manage Morath’s estate and facilitate the study and appreciation of her contribution to photography. Because Morath devoted much of her enthusiasm to encouraging women photographers, her colleagues at Magnum Photos established the Inge Morath Award in her honor. The award is now administered by the Magnum Foundation as part of its mission of supporting the next generation of socially-conscious documentary photographers, in cooperation with the Inge Morath Foundation.
