Inge Morath was an Austrian-born photographer who was associated with Magnum Photos for nearly fifty years. After her death in 2002, the Inge Morath Foundation was established with a limited-term mission to manage Morath's estate and facilitate the study and appreciation of her contribution to photography. The Inge Morath archive was acquired by the [Beinecke Library at Yale University](#), and a set of Morath's master prints by the [Yale University Art Gallery](#), where they are now available to scholars.

Because Morath devoted much of her enthusiasm to encouraging women photographers, her colleagues at Magnum Photos established the Inge Morath Award in her honor.
