Inge Morath was an Austrian-born photographer who was associated with Magnum Photos for nearly fifty years. After her death in 2002, the Inge Morath Foundation was established with a limited-term mission to manage Morath's estate and facilitate the study and appreciation of her contribution to photography. With the closure of the research space in 2014, all ongoing activities of the estate were folded into the Legacy Program of the Magnum Foundation, New York. The Inge Morath archive was acquired by the [Beinecke Library](#) at Yale University, and a set of Morath's master prints by the [Yale University Art Gallery](#), where they are now available to scholars.
