5th International Streaming Festival, The Hague, Netherlands, December 1-5 2010 broadcasts films and videoart, made by artists from all over the world. Open call for applications.

The Streaming Festival is an art event for independent artists exhibiting unconventional audiovisual art from all over the world. This event takes place once a year.

In addition to this, every month a video programme is streamed online. These programmes each have their own theme and concept and are composed by guest curators, programmers and festival partners.

Anyone with an internet connection can plug into a festival stream from any location, at any given time and start watching contemporary art and films.

Deadline: October 25 2010

No entry fee, no length limit and all genres are accepted.

See website for application form and all guidelines.
