ISPA is looking for performing arts professionals who are emerging in their careers, or established in their careers locally but emerging on the international performing arts scene.

Since its inception in 2007, ISPA has invested \$240,000 in 99 Global Fellows from 39 countries. ISPA accepts applications for the Global Fellowship Program **from all regions of the world**, with **particular attention paid to applicants from developing economies**.

In 2016, ISPA Global Fellows will receive:

- A complimentary one-year ISPA membership with full access to all member benefits
- A complimentary full pass registration to the New York 2016 Congress (January 12 - 14, 2016)

- A subsidy to assist with travel and accommodation expenses related to attending the New York ISPA Congress (cash subsidies do not generally exceed 2,500 USD)

Selected applicants will also be paired with a current ISPA member through ISPA's [Community Building Program](#) who will welcome the Fellow to the Congress and help facilitate their participation.
