KLEX – Kuala Lumpur Experimental Film & Video Festival 2012 | call

KLEX – Kuala Lumpur Experimental Film & Video Festival 2012 is now calling for submissions to feature during its next edition scheduled on 21-25 November 2012.

Theme: DEFRAMED

Deadline: Postmarked by 20 July 2012

Festival Dates: 21-25 November 2012

On “Deframed”:

As an artist working with film and video, you use the frame as your medium to express, experiment and communicate. A frame holds your mess together and put it in place and in context – your ideas, emotions, memories, yearnings, desires... It is your canvas, your stage and your asylum, you feel safe and comfortable living in this little universe. And then one day, you notice that the edge of this frame starts to crack...

Use the word “Deframed” as an inspiration for your new experiment with film and video for the 3rd KLEX 2012.
