Residency call

art center **nabi**

Art Center Nabi in Seoul operates a global residency program for media artists. Applications are invited for the 2 month residency in Korea July-September 2018, taking themes of Media Art/Digital Art (keywords: Blockchain, Artificial Intelligence, Interactive, Data, Robotics etc.)

Continuing from 2016, Art Center Nabi holds the 3rd Nabi Artist Residency program which works as the platform that communicates and experiments at the intersection of art and technology with talented artists from diverse cultural backgrounds. Collaborating with Netherlands V2_, Art Center Nabi awaits for the participation of many enthusiastic artists interested in this program.

Residency Benefits

- A grant of 4,000,000 won (including the cost of production, accommodation and the flight)
- An opportunity for the residency exhibition and artist talks.

Program Overview

Research and Creative Activities

As part of the program, residency artists will receive feedback and support from Art Center Nabi in the form of a workshop, and discussion/interview sessions entailing critique from art professionals. This is to provide a setting for deep exploration of the artwork and encourage ongoing inquiries towards art creation with technology.

Exhibition and Related Programs

Residency artists will have a showcase exhibition to present the result of their art projects at Nabi Artist Residency. Artist talks will be arranged as to share the creative experience of the participants in the residency program and the result of their projects.

Networking

At the end of the program, Art Center Nabi will offer diverse connections to domestic/foreign creative laboratories and media art centers to the artists for possible follow-up projects.

Deadline: 10 May 2018
