Residency programs 2020 open call

Open international call for artists, researchers, creators to apply for ACC (Asia Culture Center) residencies in Gwangju, Korea in 2020.

ACC (Asia Culture Center) is a research and creation platform to promote the exchange of creative works and interdisciplinary research through ideas expanded from the culture and arts of Asia and the world. ACC invites researchers and creators (performing artists, art & technology artists, designers, scholars) across the world to participate in the ACC_R Residency programs in 2020.

There are several different themes and categories for the residencies, depending on the artistic discipline. These include Biophilia, Peace, Human Rights, as well as research on food, clothing, shelter, stories, festivals and rituals, religion and civilization of Asia.

See guidelines for full details and the extensive support provided for selected residents.

Deadline for applications: 10 March 2020
