## Korea | Research programme for museum professionals

The [National Museum of Modern and Contemporary Art, Korea \(MMCA\)](#) calls for applications from museum professionals for their international research programme.

Two professionals will be selected to attend the programme from 29 September to 8 December 2022, which includes:

- Individual research in connection with Korean modern and contemporary art
- Visiting museums, galleries and art institutions
- Meeting contemporary art professionals in Korea
- Attending contemporary art related events and conferences

The research programme aims to provide a sustainable platform for initiating dialogues and for developing a comprehensive network among contemporary art professionals. It is initiated as a part of the Cultural Partnership Initiative Project, supported by the Ministry of Culture, Sports and Tourism of Korea.

**Past participants of this programme have mainly been curators of contemporary art museums.**

### Eligibility

The programme calls for individuals who:

- Work in related fields of modern and contemporary art (such as museum professionals, curators, art historians and art critics)
- Hold citizenship in one of the [ODA recipient countries](#)
- Are between 25 and 45 years old

- Have a good level of English
- Have a high interest in cultural exchange

## The programme includes:

- Round-trip airfare
- Accommodation in MMCA Residency Changdong
- Monthly living expenses (900,000 KRW per month)
- Traveller's insurance
