Korea | YATOO 9th Nature Art Biennale - call for art videos

International call for nature art videos for the Geumgang Nature Art Biennale in Korea, an important event in the Korean YATOO nature art movement. Selected works will be exhibited at Yeonmisan Nature Art Park Aug-Nov 2020.

The Korean Nature Artists' Association "YATOO(野投)" is an art organization which was founded in 1981, and has developed as a field-oriented nature art movement focusing on free expressions with installation, drawing, and performance. It is an art organization which has clear history and identity with the view of nature that we should comply with the order of nature and try to harmonize with it, and it has tried to express such a view through various means of modern fine art.

Geumgang Nature Art Biennale is an important event of the YATOO nature art movement with the history of 40 years. The biennale is a global project from Korean and foreign nature artists, and the forms and contents of biennale have become increasingly meaningful over time.

Through various forms of nature art, we Geumgang Nature Art Biennale who aim to look for the aesthetics of human and nature's harmonizing coexistence call for work pieces for the Nature Art Video Exhibition. This Nature Art Video Exhibition as a special exhibition of the biennale will take place along with the main exhibition, "Neomixed Era".

The submitted video works must meet only some practical criteria:

- Videos recording performance, installation and drawing, etc. in nature
- Running time should be less than 1 minute (60 seconds)
