La Llotja Online

FiraTàrrrega Pro
Catalan Arts

 FIRATÀRREGA

In 2020, La Llotja is going digital and long-term to maintain and broaden its goals: to raise awareness, connect and learn. Open call to join a community of performing arts professionals online 9-10 September and for the following season 2020-2021, to connect to the gathering normally taking place at **FiraTàrrrega, Catalonia**.

La Llotja Online represents a renovated meeting point for the sector, a virtual marketplace that transcends time and space to offer its services beyond the days of FiraTàrrrega and on a global level.

FiraTàrrrega's PRO registration is being transformed into a subscription to La Llotja Online for the 2020-2021 season, providing access to its services, content and programmed activities whenever and wherever desired.

At La Llotja Online of FiraTàrrrega, you'll find:

- A directory of professionals in the sector.
- A catalogue of projects.
- Search tools and specific tags to make it easier to find results.
- Contact curated by members of the sector and FiraTàrrrega.
- A calendar of relevant activities.
- Periodic marketing, meeting and learning activities.

We invite you to register, present your projects and participate in the large professional gathering to take place on 9 and 10 September 2020.

With your registration, you join a professional performing arts community that will be permanently active and in contact. **La Llotja Online** is a platform for information, meeting and communication for professionals.

The 2020 registration is valid for one year, during which you will be able to:

- Know and contact other members of the community
- Include a proposal in the Catalogue of Projects
- Access a personalised packet of services for projects, activities and prescriptions, which will be updated regularly

- Participate in the activities of La Llotja Online on the 9th and 10th of September 2020 and the 2021 Nomadic Tour (including invitations to the spectacles).
