Mecklenburg Inspires | residencies for artists

The cultural association “**Mecklenburg Inspires**” invites artists and creatives from **all disciplines** to stay and work inspired by the beautiful region of the German Riviera (German Baltic Sea).

Artists are accommodated in 3 to 5 star hotels and provided with working space. The art work will then be exhibited or presented in front of an audience. In the planning of each residency season, the project manager plans with each invited artist a parallel activity, depending on the artists interests and skills. The aim of the parallel activity is to produce an output or impact that will remain with the region or its people after the artist has left.

We particularly welcome theme or site-specific proposals of the artists themselves when applying for a residency.

Deadline for autumn residencies: 30th of June

Deadline for winter residencies: 15th of August
