After a great success in 2015, collecting hundreds of unique craft pieces from 15 countries, we are expecting new artists from new countries for the **Banquet** at **Révélations biennial**, 3-8 May 2017.

If you want to showcase an outstanding selection of contemporary fine craft artworks from a special country, through the institution you're managing, we invite you to think about the Banquet, the international fine craft dialogue. Taking place in May 2017 in the centre of the Grand Palais, Paris, this cultural exhibition gathers the most typical and artistic fine crafts expressions from many countries of the world.

Since it was first held in **2013**, the **Révélations biennial** has demonstrated the desire of **Ateliers d'Art de France** to enable craftworkers, designers and even craft workshops to showcase their original, innovative work in a setting worthy of their creative vitality.

For its **3rd edition** at the Grand Palais, the biennial will become the essential spring-time fine craft event, held in the heart of the nave of the Grand Palais **from 3 to 8 May 2017**. safeguard and support the economic development of craft professionals. Deeply committed to the educational, cultural and social fields, we carry out high-profile activities that contribute to the structuring and the international and national reputation of the craft sector.
