Performing Arts Japan (PAJ) Programme for Europe

Performing Arts Japan (PAJ) Programme

for Europe was started by the Japan Foundation in 2006 to revitalise and facilitate the exchange between leading artists in Europe and Japan. There are two grant categories: **Touring Grant** and **Collaboration Grant**.

The grant will be made available to those organisers based in Europe who are planning to organise Japan-related performing arts projects in European regions. The applications will be screened by an annually appointed panel of advisors who are specialists in the area of performing arts in Europe.

Successful applicants will receive grants towards part of the cost of implementing their project. To date, PAJ Europe has funded 97 projects (including 55 touring and 42 collaboration projects) of Japanese performing arts in both traditional and contemporary art forms.

In the 2013-2014 fiscal year,

14 projects (9 touring and 5 collaboration projects) were selected under the programme, for a total amount of 179,000 euros.

The Japan Foundation is now accepting proposals for projects, which take place between 1st April 2014 and 30th June 2015, for touring and collaboration grants.

To apply for the programme, please read the guidelines carefully, and complete the attached Application Form and submit it along with other necessary materials to the Japan Foundation offices in Europe (see list) no later than **31st October 2013 (receipt deadline)**.
