Romania | Bucharest Dance Hack 2025

Developing Art (Romania), Taika Box, (Finland), and Central Europe Dance Theatre (Hungary) are calling for applications from artists, coders, designers, musicians, dancers, new circus performers, choreographers,

and people working at the cutting edge of art and technology, for the Bucharest Dance Hack, 7–11 April 2025 in Bucharest, Romania.

The event will bring together **artists and new media enthusiasts** committed to working towards ways of blending the moving human body and technology, into an innovative framework, supported by experienced mentors.

Previous EU Dance Hack events have been dedicated to a certain amount of **spontaneity in communication and collaboration**, and the organisers encourage interested participants to apply with an open mind and an interest in developing new points of contact and methodologies, instead of bringing pre-existing ideas and projects to the table. Bucharest Dance Hack is about colouring outside the lines, experimenting, and finding novel ideas, rather than completing a puzzle.

Bucharest Dance Hack is also striving to be an accessible and inclusive event, so **parents intending to travel with children will be accommodated**. Applicants with **special needs or care responsibilities are also welcome**, and the organisers will do their best to provide the required resources for their attendance.

Support

Selected participants will receive the following:

- A fee
- Per-diems
- Travel expenses reimbursed (only slow travel)
