The program supports research visits to Japan for those who are expected to play an important role in the international performing arts scene.

International Project Support Program

(For medium to long-term artistic collaboration projects)

This program offers grants and/or priority use of space at Morishita Studio in Tokyo (studios and guest rooms) for international theater and dance collaboration projects with not-for-profit contemporary Japanese performing artists and/or companies, including creative workshops and rehearsals held during the working process. Priority will be given to projects that will advance through continuous working processes, based on sufficient mutual understanding between artistic partners.

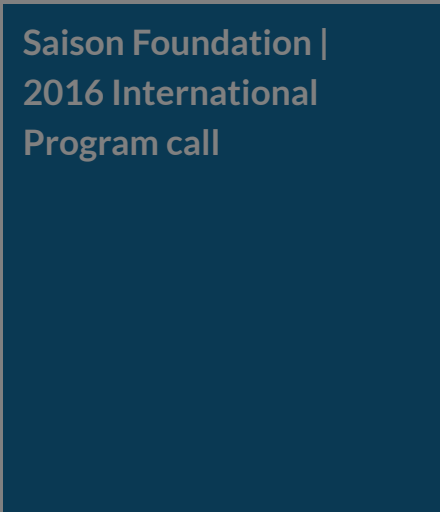

For all programmes, applicants must send the outline to request an application form. After this, they must submit the full proposal (see guidelines for dates).

Deadline to request application form: 3 October 2019
