Setouchi Triennale 2016 | call for Art Proposals

dscf4643

The Setouchi Triennale 2016 call for proposals is announced. The organisers are seeking submissions of art projects to be presented on the beautiful islands of the Seto Inland Sea in Japan. Submissions must be site-specific and can be visual arts or performance based, as well as collaborative food projects.

We are calling for submissions of art projects for the Setouchi Triennale that make use of regional resources and discover the charms of the many islands. We would like for submissions to be site specific and utilize the

unique characteristics of each exhibition site.

DEADLINE NOTE: the period for submission of applications **opens on 24 February** and **closes on 10 March 2015**. You are advised to prepare your submission in good time to meet the application requirements.

- ## Categories

(1) Site-specific works

1. Works using the piers
2. Works with the theme of the island's nature and history
3. Works using the alleys and streets
4. Works using the island's vacant house

(2) Site-specific performances and events (projects including residency available as their theme.)

(3) Food project (using local ingredients and containing collaboration with local people.)

(4) Other: Open proposals
