Residencies | extended deadlines

The deadlines for the International Creator Residency Program 2011 and the Research Residency Program 2011 have been extended to June 20, 2011.

The residency period for the [International Creator Residency](#) Program is from the beginning of January to the end of March, 2012. The themes for the coming term are "Art and Environment", "Cultural diversity and the activities of New Art Centres", or "Possibilities of collaboration". Two artists will be selected for this programme. [Download application pack](#)

The residency period for the [Research Residency Program](#) is for about 1 - 2 months from the beginning of September, 2011 to the end of March, 2012. Creators who are planning to do cultural studies or research based in Tokyo are encouraged to apply. [Download application pack](#)

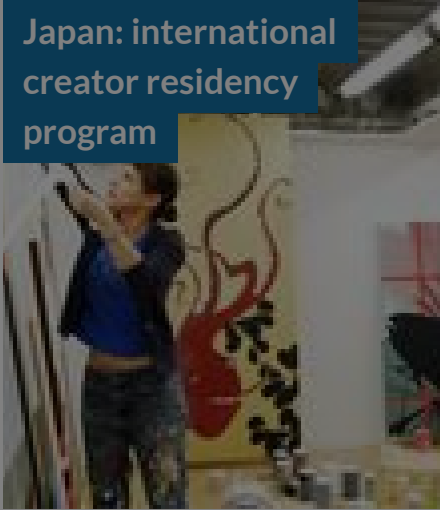

[Tokyo Wonder Site](#) is a creative platform located in various sites around Tokyo . It develops unconventional exchange programmes that support artistic activities aiming at transforming the city through diverse cultures.
