Transmitting Energy | BIO 50 Biennial Instagram Photo contest

 InstagramNatecaj_5.png

International Contest and Exhibition of Instagram Photos: TRANSMITTING ENERGY - BIO 50 Biennial of Design, Slovenia. Open international call to share your creative energy and enter the biennial.

September 2014 will mark the 50th anniversary of one of the world's oldest biennials – the **Biennial of Design (BIO)**, to be held in Ljubljana, Slovenia. The jubilee edition BIO 50 steps away from being an international contest, focusing instead on establishing international collaborations and networks, in the framework of which participants of multidisciplinary groups can tackle topics from everyday life.

In celebration of this important anniversary, the Museum of Architecture and Design and the main partner of the biennial, the ELES, d. o. o. company, the electricity transmission system operator of the Republic of Slovenia, organise an international photo contest under the motto TRANSMITTING ENERGY – BIO 50 for the best Instagram photo.

Submissions will be accepted throughout the contest, **which will run from 17 February to 30 May 2014**. The best photos as selected by the jury will be rewarded and displayed at an exhibition held in September in the framework of BIO 50.

To share your creative energy and enter this year's biennial, just grab your phone, snap a picture, tag it with #BIO50energy and post it on your Instagram profile!
