Awards for Cultural Heritage Conservation

UNESCO Bangkok is currently accepting entries for 2012 UNESCO Asia-Pacific Awards for Cultural Heritage Conservation.

[The UNESCO Heritage Awards](#) was established in 2000 in response to increasing threats to our built heritage.

The main objective of the Awards is to recognize and acknowledge **outstanding achievements and contributions made by the private sector and public-private initiatives** in addressing these growing concerns, and subsequently protecting these diverse, yet vulnerable places.

In 2005, UNESCO launched the Jury Commendation for Innovation. This award recognizes **newly-built structures** which demonstrate outstanding architectural design that is well integrated into historic contexts.

Deadline for submission is [31 March 2012](#).
