Award

The [Festival Images](#) in Vevey, Switzerland launches its project competition for the **Vevey International Photo Award 2013/14**. Artists and photographers have until March 15th 2013 to enter.

The purpose of this award consists in providing crucial assistance for projects that have not been realised, in the form of a grant up to CHF 40,000 (around € 33,000), in order to bring a photography or film initiative to completion. There is also the potential to win other prizes and receive exhibitions proposals at [Quai1](#) or during the Festival Images.

End of April 2013, a jury of visual arts professionals will choose the projects that will be supported by the Festival. The winning projects will be realised within the following year and previewed at the next Festival Images in September 2014.

This competition represents a unique form of support for contemporary original works, with a free choice of subject matter and genre.

The Vevey International Photo Award 2013/2014 is open to all artists, and professional or student photographers
