## VideoChannel seeks one minute films & videos

[caption id="attachment\_2099" align="alignright" width="270" caption="Global heritage of digital culture"][/caption]

**VideoChannel - video project environments** is looking for “one minute films and videos” on the theme “memory” and “identity” for an online feature and future screening programs in the framework of the anniversary celebrations. The accepted films will extend [OMFC - One Minute Film Collection](#) - the unique selection of films and videos lasting exactly 60 seconds.

-----  
Regulations  
-----

- deadline: 2 April 2010
  - Theme: “memory” and “identity”
  - Duration: exactly 60 seconds (including title and credits)
  - only one film/video can be submitted
  - Productions using language and/or text other than English need English subtitles.
  - The preview copy should be preferably made available online for review and/or download as Quicktime .mov, Windows Media .wmv, Flash video .swf or .flv minimum size 480×360, preferred 640×480
- if no own website is available, alternatively the film can be submitted via an upload/download platform, for instance, **SENDSPACE** - [www.sendspace.com](http://www.sendspace.com) - a free upload service, after upload please send the link, and VideoChannel will download the film then.
- The selected artists/directors will be invited to send a hardcopy of the selected video on DVD in best screening quality.

For the entry form, see: <http://www.nmartproject.net/netex/?p=447>
