Korea | APE CAMP
2024 for artists,
producers and
engineers

APE CAMP

APE CAMP aims to serve as a vibrant hub for young artists, producers and engineers, where they embark on a journey to explore the convergent DNA of APEs. Over the course of three days, 100 participants will be organized into teams based on their respective artistic and technical roles. Together, they will collaborate to generate innovative ideas for art and technology convergence. Outstanding campers will be selected to receive support for an international research trip where they visit leading institutions specializing in art and technology convergence across the globe.

SCHEDULE : June 2024 LOCATION : Seoul, Korea
SUBMISSION DEADLINE : Thursday, March 28, 2024, 4pm KST
