DEADLINE  
30 APR 2014

## Women's World Summit Foundation | Women's Creativity in Rural Life PRIZE

**Creativity in Rural Life Prize.** It is awarded by the **Women's World Summit Foundation** to women and women's groups around the world exhibiting exceptional creativity, courage and commitment for the improvement of the quality of life in rural communities

Awarded since 1994 by WWSF Women's World Summit Foundation - an international, non-profit, humanitarian NGO based in Geneva, serving the implementation of women's and children's rights and the UN development agenda - the Prize honours women and women's groups around the world exhibiting exceptional creativity, courage and commitment for the improvement of the quality of life in rural communities (395 prizes awarded so far).

The Prize aims to draw international attention to laureates' contributions to sustainable development, household food security and peace, thus generating recognition and support for their projects. While rural women are vital in providing examples of sound practice in their communities, they still do not have full access to tools needed for development, such as education, credit, land rights and participation in decision making. By highlighting and awarding creative development models, innovations and experiences enhancing the quality of rural life, WWSF participates in addressing the eradication of rural poverty, gender mainstreaming and women's empowerment.

## Eligibility

- Nominees should be women and women's groups currently active in rural life whose efforts have not yet been acknowledged by other awards. **They may not nominate themselves.**
