## Mies Award ASIA Edition

# Launch of the Asia Edition of YTAA 2020

The Asia Edition of Young Talent Architecture Award (YTAA) is launched as part of the 2020 European edition of the EU Mies Award (EU Prize for Contemporary Architecture – Mies van der Rohe Award).

By identifying and supporting the best young talents from Europe and Asia and bringing them together in a joint exhibition and awards ceremony in Venice, YTAA facilitates intercultural dialogue and offers cooperation opportunities among professionals, universities, institutions and other relevant partners in the architecture sector.

YTAA recognises the talent of recently graduated architects, urbanists and landscape architects, and facilitates their interaction with the sector's main stakeholders in Europe, providing the opportunity to develop synergies and complementarities with the architecture offices and institutions of their choice.

**The Asia Edition of YTAA 2020 is open for graduation projects presented between January 1st, 2018 and December 31st, 2019 by students from a group of selected schools in China, India, Japan and South Korea.** This selection has been made possible following a mapping carried out with the support of the [EU Cultural Diplomacy Platform](#).

**Deadline for schools submissions: 2 March 2020**

YTAA is organised by the Fundació Mies van der Rohe with the support of the Creative Europe programme of the European Union, in collaboration with the Architects' Council of Europe (ACE-CAE); the European Association for Architectural Education (EAAE) and World Architects as founding partners, and the European Cultural Centre as the partner in Venice.
