ASEF culture360 is pleased to announce a new **directory of arts and culture organisations from Kazakhstan** now available online. **35 organisations** featuring museums, independent art spaces, festivals, public institutions, theaters and more, have been added to the **online directory of ASEF culture360**. The Organisations Directory includes **over 1,200 organisations in 49 countries of Asia and Europe**. It is searchable across various disciplines: from performing arts to visual arts, new media, film, heritage, museums and many more.

If you are looking for partners or simply researching the arts scene in Kazakhstan, this Directory will be the perfect starting point!
