23 NOV 2017 - 25 NOV 2017

· · · / Lumieres Hong Kong festival is making its debut on 23, 24 and 25 November 2017!

During the 3 night event, **landmarks sites and buildings** of Soho, Central and Tsim Sha Tsui are becoming the hosts of **light installations, video projections, art pieces** by renowned local and international light artists.

Inspired by and in partnership with the mega *Fête des Lumières de Lyon* (France), · · · / Lumieres Hong Kong will feature **3 nights of light installations, video projections, art pieces and dining** to experience Hong Kong in a bright new light.

Landmarks sites and buildings of the city central areas will become the canvas for some of the most **renowned local and international light artists** to showcase their vision of the city's very own culture.

Completely free, the festival will be offering activities and celebrations for **all generations to rediscover the city's** heritage and architecture through the medium of light.

Join the Festival to experience **Hong Kong's heritage, architecture and dining** under a bright new light!
