Art Aia – Creatives / In / Residence is an international art residency for **artistic production and research** that combines **art, environmental sustainability, and Eco-therapy practices**. It focuses on the development of the creative process, **facilitating cultural exchange across borders**. The venue is located near the Comune of Sesto al Reghena in the north-eastern Italian region Friuli-Venezia Giulia.

Its aims are the cultural research and the artistic experimentation in the area, the circulation of information, the promotion of art and culture at a local and international level. Art Aia pursues exclusively cultural and artistic activities, guided by the idea that art can help to overcome the limitations and barriers place to communication still today , which in a way reduce imagination and creativity.
