Artists All Around

AAA offers LIVE online artist conferences every 6-7 weeks where selected artists from around the world gather to share about their practice and current work. The sessions are broadcasted LIVE on Youtube and archived for public to view. AAA also started the inaugural 2014 AAA residency based in Singapore and is open to all disciplines of contemporary art.

AAA seeks to create new initiatives in contemporary art, in collaboration with art organisations in Europe and Asia. At the moment, we have a network of artists based in Singapore, UK, Mexico, South Korea, Indonesia, Thailand, Turkey, Netherlands etc. and we are constantly expanding our community. We are also seeking opportunities to establish AAA branches run by the local creative communities in different regions and expand our content offering.
