Established in 2009, Arts Republic is a free online listings magazine for arts events in Singapore.

The aim is to make arts public; a platform to propel local independent arts into mainstream community; to promote local artists to the forefront of the Singapore arts scene, allowing for the sublimation of a collective cultural identity. Arts Republic is a group of arts lover-goer-enthusiast-practitioner that would love to have a one-stop-all-in-one website that publishes all the arts event in Singapore.
