Arts Republic is a free online listings magazine for arts events in Singapore. It was started in 2009.

The aim is to make arts public. A platform to propel local independent arts into mainstream community. To promote local artists to the forefront of the Singapore arts scene. Through which, we hope to allow for the sublimation of a collective cultural identity.

We are a bunch of arts lover-goer-enthusiast-practitioner that would love to have a one-stop-all-in-one website that publishes all the arts event in Singapore.

By providing a free website to allow artists to post their events, we're hoping it'll spread like viral marketing and we can (finally!) have a website where it all the arts events are consolidated.

Arts Republic is on Facebook: <https://www.facebook.com/artsrepublic>
