Association of Dance professionals of Switzerland

Danse Suisse aims to promote dance as an art form, and in particular dance to be recognised as a profession in Switzerland. It represents the interests of professional dancers, choreographers, dance teachers, dance educators and dance intermediaries.

Danse Suisse is the professional organisation for the 2009 professional education as a stage dancer with a Federal Diploma of Vocational Education and Training (BühnentänzerIn EFZ). Danse Suisse is committed at various levels to good dance training and promotes young artists in this art form through its own measures. To this end, the professional association seeks collaboration with all relevant public authorities, associations in other artistic fields, with the umbrella organisations Suisseculture and Suisseculture sociale, with private institutions and other dance-related organizations such as the Réseau danse suisse
