BALTMEDIA was established in Gdynia (northern Poland), in 1996, as an independent film & TV producer to assist both domestic and international program makers in the development and completion of their projects.

BALTMEDIA is combining the skills and experience of several TV professionals who specialise in a variety of genres including documentaries, entertainment, arts, music, corporate, industrial, information and education.

In addition, the company provides pre-production services that include location scouting, professional advice and budget preparation. At a later stage, the production managers (or local fixers) will help ensuring stress-free production..

BALTMEDIA shooting formats include: High Definition, Digital Betacam, Betacam SP and DVCAM.
