BeFantastic

BeFantastic is a techart platform that originated in Bangalore, India in 2017. It envisions a positive, sustainable future leveraging creative tech. It provides an international Fellowship programme (CoLab), open public Dialogs on the state of technology and arts, as well as a public showcasing festival. Its founding team comprises experienced architects, designers, artists and technologists with a track record in connecting their practice with participatory processes, private and public sector agencies. BeFantastic convenes and engages a vibrant international community of techart creators and experts to push the boundaries of technology and the arts.

They collaborate internationally, for example through the CoLab Programmes, which foster international collaborations, encourage making while learning, and curate a professional network of peers.
