British Council Australia

Founded in 1934, the British Council is the United Kingdom's **international organisation for cultural relations and educational opportunities**. They create international opportunities for the people of the UK and other countries and build trust between them worldwide.

They are a global organisation with more than 190 offices in 110 countries and territories. Since 1947, they have been working to build mutually beneficial and lasting relationships between the future leaders of **Australia, the UK, our East Asian region**, and the world. In Australia, their initiatives cross the areas of **arts and creative industries, education, science, innovation and climate change**.
