B&T Films produces feature films and performs production service and/or line-production in Germany for partners from abroad. Its interests lies in intelligent stories for grown-ups, movies with unforgettable stories, images and characters that offer great roles for an outstanding cast.

The company offers the experiences of about 70 productions, ranging from a low budget short that makes it to the Cannes Filmfest official competition, German movies and the co-production of European feature films to service and line productions for US and UK feature films and Bafta, Golden Globe and Emmy winners.
