Bunker

Bunker is a non-profit organisation for the realisation and organisation of cultural events.

Bunker produces and presents contemporary **theatre and dance performances**, organises different workshops and other **educational programmes**, carries out various **research** methods in the field of culture

and brings together one of the most noted international **festivals**, the Mladi levi festival.

The aim of Bunker is to **refresh and invigorate the Slovene cultural space with innovative approaches**. It encourages the mobility of artists and their works both in Slovenia and abroad; and promote the intertwining of different art disciplines. It creates a space, which allows the exchange of experiences, knowledge and interests among artists and various audiences. Bunker tries to stimulate discussions regarding various artistic practices and subjects; and to create artistic programmes and events that reflect upon topical social, ecological, political and cultural issues.
