Centre Culturel Les Grignoux A.S.B.L.

The association proposes film screenings that are dedicated to auteur films. It also organizes meetings with filmmakers and film technicians. The association had produced a very rich collection of pedagogical resources on film education for kids from 3 to 12 and 12 to 18. The pedagogical tools explore the films from different angles such as: the analysis of the film content, the cinematography, themes, developing animation around a subject, student reactions to the movies. The association, which was awarded with the “Roger Vanthournout” prize, runs two large screens; “Parc” and “Churchill” both are members of the Europa Cinemas Network.
