Craft ACT: Craft and Design Centre is a not-for-profit **membership based organisation** which supports **artists, craft practitioners, designers and makers** at every stage of their careers. They promote and celebrate

excellence and innovation in contemporary craft in everything they do – in the retail space, exhibitions, events and membership programme.

Craft ACT is a pivotal player in Canberra's visual and contemporary craft and art landscape, collaborating regularly with other arts and cultural organisations. Through these links and beyond to other organisations and institutions across Australia, Craft ACT provides opportunities that allow artists and designers to establish and maintain successful professional practices in the Canberra region.
