Connecting Asia & Europe Through Arts & Culture

CREATIVE RESPONSES TO SUSTAINABILITY

Cultural Initiatives Engaging with Social
and Environmental Issues

ASEF culture360 is delighted to announce the publication of **Creative Responses to Sustainability – Indonesia Guide**.

This *Green Guide* is the 3rd in a series of guides looking at the connection between art and sustainability in different countries in Asia. The previous two Guides on Singapore and Korea were published between 2015 and 2016. The **Guide for Indonesia** follows the same model and maps cultural initiatives across the country engaging with social and environmental issues.

Commissioned by ASEF culture360, authored by Yasmine Ostendorf, the initiator of the EU funded network Green Art Lab Alliance (GALA) and edited by [Anna Steinkamp](#), this guide features a directory of the **25 most pioneering and significant cultural organisations in Indonesia** contributing to social and environmental change through their artistic practice. Stay tuned for more *Green Guides* in 2017 and 2018!
