The Esplanade Theatres on the Bay

The Esplanade Theatres on the Bay is one of the busiest arts centres in the world with about 3,000 performances presented by Esplanade, collaboration partners and hirers yearly. **Presenting the best in the performing arts**, the world-class venues have hosted a diverse range of

dance, music and theatre performances, in addition to visual arts exhibitions and more.

The Esplanade believes in making the arts accessible for everyone. As a not-for-profit arts centre, they are driven by our mission **to entertain, engage, educate and inspire through the arts**. Their social motivations guide our programmes so that there is always something for everyone to enjoy. As a team of dedicated arts professionals who are also arts advocates, they recognise that everyone matters and that every single role is important. As Singapore's national performing arts centre, they aim to continue inspiring audiences and cultivating the arts scene.
