EuropaCorp is one of the largest film studios in Europe. Founded in 1999, its original integrated financial model generates revenues from diversified sources. EuropaCorp varied activities include production, theater distribution, home entertainment, VOD, sales of TV rights for France as well as sales of international rights, partnerships and licenses, music production and publishing, books publishing and advertising production. With films from a wide range of genres and a strong presence in the international market, the Group has produced some of French latest worldwide record-breaking successes. EuropaCorp's catalogue is comprised of 500 films, and the company employs 120 permanent staff members.
